

SUNDAY SCHOOL @ 9 AND 10:30 A.M.

We all feel the need to connect to others. Here at First

Baptist Jackson, that is one of our goals—to connect you to God and to others. One way we accomplish this goal is through our weekly Bible Study. On Sunday mornings we meet in small, caring groups of students, led by a knowledgeable adult where we engage in Bible Study and prayer with one another. Choose from 9:00 or 10:30 a.m. each Sunday to take advantage of this incredible time of connecting to God and others. Dynamic teachers and leaders are always needed here as we grow.

Our Sunday School meets together (7-12th grades) for an opening assembly where we have insightful videos, testimonies and give announcements. Then, the students go into age specific classes for the main teaching time of Sunday School.

We have 3 main classes for junior high students:

7th grade

8th grade

9th grade

After the main Bible study, the classes break up into small groups for daily application of the lesson and prayer. This format is offered both at the 9 and 10:30 hours.
