Dear friends,

Words cannot express how honored I am to join the WMU as director. God placed a passion in my heart for missions, children, and women early in life, so I'm just thrilled that God has called me to a position that involves all of these passions. It is truly a blessing to watch God working and lives changing as WMU members go and make disciples of all nations through Women on Mission, Mission Friends, RA's, GA's, and Internationals.

Isaiah 52:7 proclaims, "How beautiful on the mountains are the feet of those who bring good news..." I am beyond excited about serving alongside such a Godly and committed group of women as we spread the good news, and I look forward to all of the amazing things God has in store for this ministry!

Dear WMU,

Thank you so much for the endless expressions of appreciation and lovely reception you provided as I completed almost 8 years as WMU Director. That is an evening to cherish in my memories of such special WMU times we have shared at FBCJ. Each of you have meant the world to me as we labored together for the kingdom.

I look forward to a spa day when things slow down around our house! Your thoughtfulness is appreciated!

Lots of Love,
Charlotte Jer.29:11

Dear Friends,

May 1, 2010

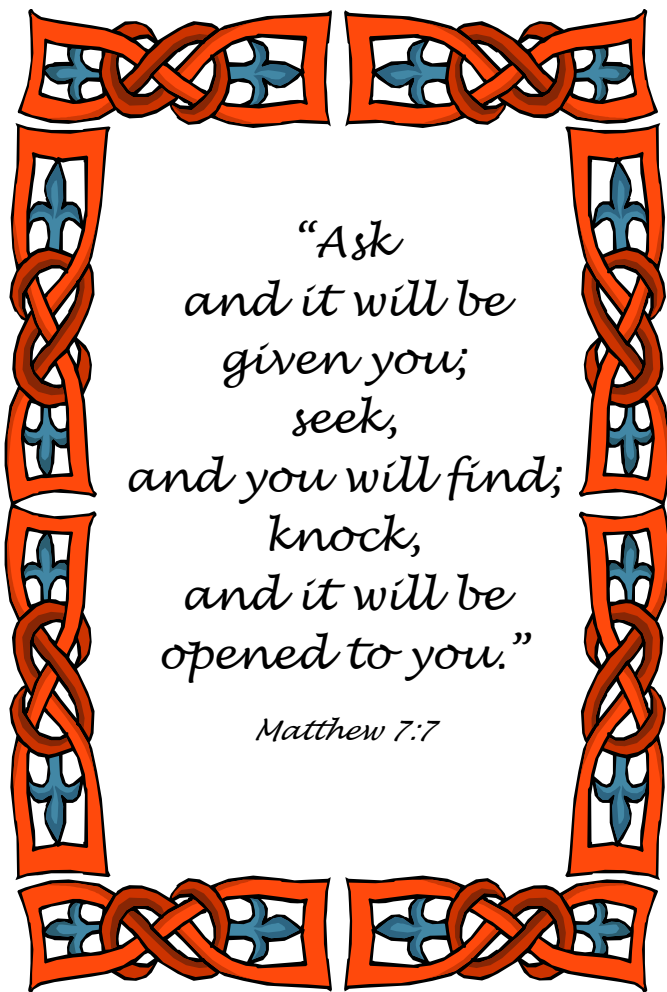

We are at a loss for words to adequately thank you for all that you have done for us so I will resort to words penned by others.

Our 11 year old grandson drew us a pencil sketch of a phoenix. His mother helped him write a message for us, had it framed, and it hangs in a place of honor in our new home. On the back of the picture Brian and Stacy wrote, "This phoenix is to remind you of the kindness and generosity of friends, family, acquaintances and strangers who arose out of the ashes of a difficult trial. May your new home bring you renewed strength and determination. And let this phoenix remind you that only Christ can truly bring beauty from ashes." ". . . I will bestow on them a crown of beauty from ashes . . ."Is. 61:3

As we watched 47 years of our lives burn, we could not see the phoenix, but we did see many of you, hugging us and praying as our home turned to ashes. And we once again fell back on the old refrain, "ALL things work together for good . . ."

Thank you again for your love, prayers, working hands and generosity.

We love each of you, Vicki and Gerald
